Printable Pinwheel Guide

Supplies:

1. Pencil
2. Thumbtack
3. Scissors

Instructions:

1. Cut out the pinwheel pattern of your choice.
2. Cut along the dotted lines towards the center of the pinwheel.
3. This should create four triangles in your square paper. In each triangle bring one edge towards the center, making sure to alternate edges.
4. With all corners overlapping in the center, push the pin through the paper into the eraser of the pencil.
